**Allergy Concerns:** If you have an allergy please read.

We will go above and beyond to avoid contamination with our product, but we can not promise or guarantee cross contamination at some point in the process of making the main ingredient. That is one of the disadvantages making everything from scratch. **Peanuts:** We process peanuts in house and there can be traces of peanuts from front to back of our restaurant. **Sesame:** We use sesame seeds on our buns, we use the same trays for subs and those tiny little seeds are all over. **Shell Fish/ Seafood:** We use fish sauce, oyster sauce, and kelp in many of our ingredients, most would never expect to find such allergens. *Please tell us immediately when you place your order.*
